

33 trainees join Power, Infrastructure Management course in KITS

The one year educational program "Advanced training in power and Infrastructure Management" started by Sunil Hitech Engineers Limited in collaboration with Kavikulguru Institute of Technology and Science (KITS), Ramtek, was inaugurated today, the 24th of July at the KITS campus.

The KITS campus is situated in the picturesque location of pilgrim centre of Ramtek. The institute has developed a national recognition for its excellence on teaching process with an emphasis on self

learning, which attracts students from all over India.

Sunil Hitech Engineers Limited has its visions firmly focused in the ever-growing Power Sector. Considering the need of specialist engineers in this field, Sunil Hitech decided to contribute to the society by having academic collaboration with KITS. The "Advanced training in power and

Infrastructure Management" program will help engineering graduates and diploma holders to have specialized training in the

The building of KITS, Ramtek

areas of engineering and technology with an emphasis on power plant erection and infrastructure management.

Twenty-eight candidates having degree or diploma in civil, mechanical or electrical engineering joined the said course that started on Thursday, July 24th.

While welcoming trainees to the course, Principal of KITS, Dr Bhaskar Patel emphasized that it was a professional course and the KITS management will expect the trainees to behave in a professional manner. He also said that the course will be conducted in a unique teaching-learning environment. He congratulated Mr Vijay Kodate, Deputy General Manager of Sunil Hitech Engineers Limited for co-ordinating the course successfully. Earlier, a power-point presentation was made by Shabnam Bhowmick, Public Relations Officer of Sunil Hitech Engineers Limited on the overview of the course and achievements of the company. A video presentation on KITS was also screened on the occasion. Among others who addressed the gathering were Dean Dr K Shankar, Executive Director of Sunil Hitech Mr M M Rasheed, Executive Director of KITS V Shrinivas Rao, Associate professors Pravin Pachpor and P M Randive.

The event was conducted by co-ordinator of the course Prashant P Parhad while P S Pachpor proposed a vote of thanks

Executives at the inauguration ceremony.
